

Walking Holiday - Cambrian Mountains

5 walks and 4 nights accommodation 7th - 11th June 2021

Hill and mountain walking in the remote countryside of the Cambrian Mountains

This walking holiday features a variety of walks in the Cambrian Mountains. The Cambrian Mountains are still one of Wales' most special places – a peaceful, largely unspoiled landscape with a rich cultural history and vibrant natural beauty. The mountains almost fill the space between their better-known neighbours, the Snowdonia and the Brecon Beacons National Parks.

Walk Leader: Helen Menhinick (HML) of Bryn Walking

Assistant Walk Leader : Alan Ward (IML)
